[illegible]

The concept of serving is central to the Inuit style of leadership and as such is the measure of the maturity and wisdom of an Inuk. Key here is the understanding that each person has a contribution to make and is a valued contributor to his/her community. Students will be expected to demonstrate this kind of leadership and commitment to serving the common good.

Le concept de service est au cœur du style de leadership inuit et en tant que tel, est la mesure de la maturité et de la sagesse d'un Inuk. Le fondement de ce principe est la conviction que chaque personne a un rôle à jouer et que sa contribution à la communauté est précieuse. On s'attend à ce que les élèves fassent preuve de ce genre de leadership et de dévouement au bien commun.
